

Nazareth Library Touch A Truck 2017

August 1, 2017

Dear Community Partner,

You are invited to be a part of the **2017 Nazareth Library Touch A Truck Event!** Touch A Truck 2017 will take place on Saturday, October 7 at Upper Nazareth's Tuskes Park. The event will feature unique vehicle exhibitors from the Lehigh Valley Area and beyond. Touch A Truck gives children and adults a chance to fulfill childhood curiosities while learning and interacting with the businesses of the community. Children can hear sirens, watch the tractor bucket move, sit in the driver's seat, and learn about the safety of the vehicles through fun, interactive games. In 2016, Touch A Truck welcomed over 1,200 attendees. We hope you can join us this October!

As a Heavy Duty, Tough Trucking, Steam Rolling, or Handy Helper Sponsor, **YOU** will make this event memorable and help to secure funding for children in our community to participate in hands-on learning through the library's unique STEAM (Science, Technology, Engineering, Arts, and Math) programming. Children as young as 2 years old learn about STEAM concepts as they engage in developmental programs utilizing exploration, experimentation, design and building. In cooperation with the Franklin Institute, the library staff received training to provide age appropriate programs to children as an expanded part of our library service and community enrichment.

Our goal for this year's Touch A Truck Event is to find sponsor partners like **YOU** so that we can raise funds to renovate the library's lower level and create a dedicated space for this free community programming. The full project is extensive, but with your help, we can get started!

Please have a look at the variety of Touch A Truck sponsorship options. Remember that your support will have a lasting impact – a memorable day of fun as well as providing a community learning space for the children of the Nazareth Area.
